

CREATE A RUN TEAM

The best part about the Zareinu Festival's walk, run and ride is the friends made along the way. This June 12th, bring together your **family, friends** and **colleagues** together to support the Zareinu community, get some exercise, win prizes, and raise funds while having fun!

There are many benefits to creating a team. It's easier to fundraise, helps to get others involved and it's easier to train.

Growing your team benefits all members and every Zareinu child. Team up and win big!

- **Teams of 1-10 people receive a team photo for each member.**
- **Teams of 11-20 people receive a team photo plus Team Moveathon t-shirt for each member.**
- **The team with the most people receives a team photo, personalized Team Moveathon t-shirt and hat for each member.**
- **The team that raises the most funds receives a team photo, personalized Team Moveathon t-shirt and hat for each member.**

Follow these easy steps to create your team:

- 1. Register** - Team Captains can easily register online [here](http://www.moveathon.com), call 416-661-1800 ext 228 or email sonya@zareinu.org.
- 2. Decide on a name** - Think of a team name. It could be your company name, family name or something fun and creative.
- 3. Invite team members** - The more members you recruit the better the prizes and the more money you raise for the children of Zareinu. Invite your family, friends and colleagues to join your team by email, phone, Twitter or Facebook today!

Visit www.moveathon.com or find the Zareinu Moveathon on [Facebook](https://www.facebook.com/zareinufestival)!
